1 **Activity · Work with your teacher**

Count back out loud from ten to zero.

Count backwards from 20

1. Says every number from ten down to zero in order (ten, nine, eight … two, one, zero), with none left out or said twice. Going up instead of down, skipping a number, or stopping before zero is Not yet.

Curriculum applications this task can record: Alberta Grade 1: Complete a backward subsequence from the named start to zero. Record the actual independent response and any separate actions; this does not establish the whole broader skill.

Broader skill evidence: Technical review: this generated response supports the named curriculum content. It does not independently establish a full skill, recall, a prescribed method or a physical performance.

Teacher procedure · Question 1
