Optional extension: weekday names and relations

Name	Date

1 **Today is Thursday. The class trip is on Friday. When is the class trip: yesterday, today or tomorrow?**

Yesterday Today Tomorrow

2 **Today is Wednesday. The class will have science tomorrow. What day will the class have science?**

Tuesday Wednesday Thursday

Optional extension: weekday names and relations

1 Today is Thursday. The class trip is on Friday. When is the class trip: yesterday, today or tomorrow?

Yesterday Today Tomorrow

Optional extension: Use weekday names and order. Weekday-name knowledge is optional enrichment, not a compulsory Kindergarten requirement. These types are deliberately selected and never compulsory evidence.

Answer: Tomorrow

Optional extension: weekday names and relations

2 Today is Wednesday. The class will have science tomorrow. What day will the class have science?

Tuesday Wednesday Thursday

Optional extension: Use weekday names and order. Weekday-name knowledge is optional enrichment, not a compulsory Kindergarten requirement. These types are deliberately selected and never compulsory evidence.

Answer: Thursday
