More, fewer or the same

Name	Date

Part 1 Which has more?

Which group has more? Circle the group, or circle Same.

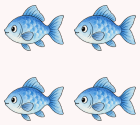

Example

1

More

1 

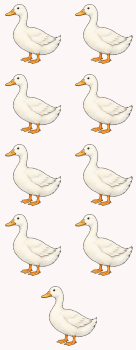

2 

3 ●=● same

2

More

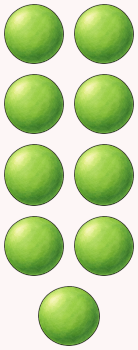

1 

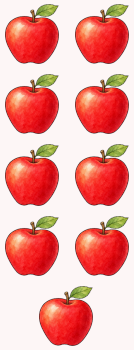

2 

3 ●=● same

3

More

1 

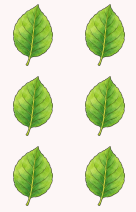

2 

3 ●=● same

4

More

1 

2 

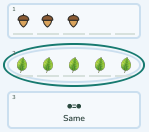

3 ●=● same

More, fewer or the same

Part 2 Pair them up

Draw lines to pair the objects.

Example Match them one to one. The row with some left over has more.

5 Circle the row with more, or circle Same.

More

Row 1

Row 2

Row 1 Row 2 Same

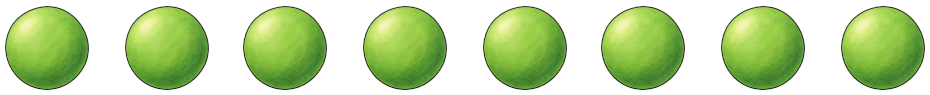

6 Circle the row with fewer, or circle Same.

Fewer

Row 1

Row 2

Row 1 Row 2 Same

More, fewer or the same

Part 3 Find the same number

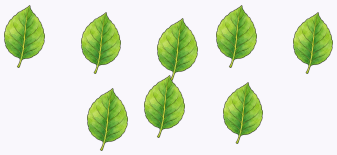

Example

7 Count the first group. Circle the group with the same number.

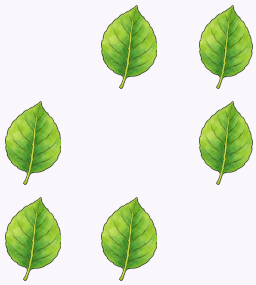

1

2

3

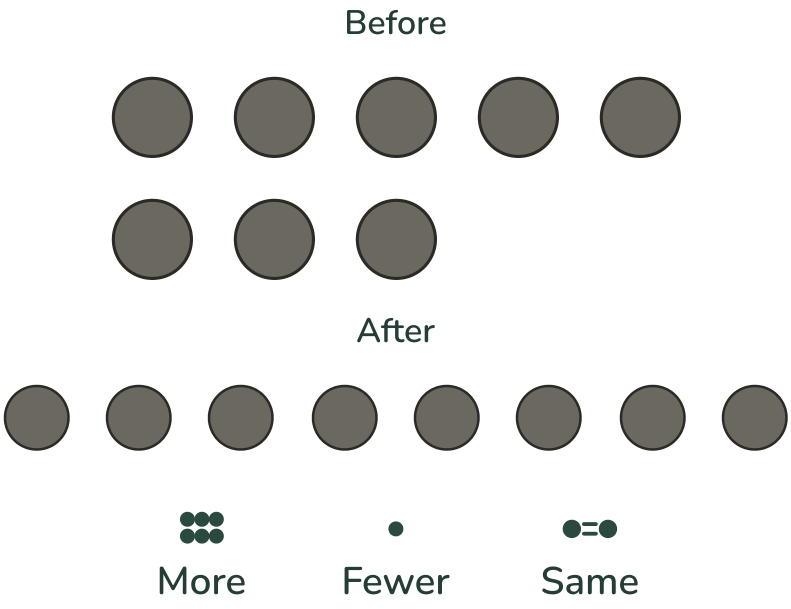

Part 4 Spread out

Example

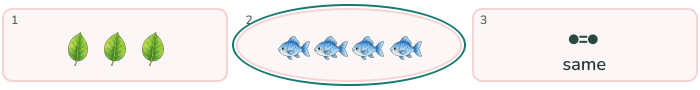

8 The dots have been spread out. Are there more, fewer, or the same number? Circle your answer.

More, fewer or the same
