1 What is this shape called?

Direct evidence: Independently name the shown shape. The teacher records the name without giving shape names or response options. The child's actual name is required.

Administer separately

1. Show the child the triangle below, or one cut from paper.
2. Ask: "What is this shape called?" Do not say any shape names.
3. Write down the name the child says.

Accept: Says "triangle". For an everyday word ("ball", "box"), ask once: "What shape is it?" Another shape's name is Not yet.

Record: The child said
